

WEWE IMPORT

Sandals, Kikois & Accessories

About us

Wewe is a Swahili word that means YOU. This is about us.

WEWE Import was founded by Suzanne Chartier, a woman from Quebec who, during her extensive travels was particularly fascinated by the natural beauty and casual elegance of African native art and beadwork.

Since then the company has grown to include distributors in Maui, New York, Ibiza and Montreal and is continuing to grow at a rapid pace. The whole staff at WEWE Import is committed to providing quality products and services and making the customer experience a pleasant one.

MODELS AND DESIGNS

The sandals are named after the tribes found in Kenya. The inspiration came from going on a fantastic safari in December 2009 in the Rift Valley.

HELPING THE KENYAN PEOPLE

Any order you make helps the Kenyan families who work with us and gives them the opportunity to give food and medication and an education to their children.

Sandals

Handmade in Kenya, genuine quality leather.
Chic and practical, to wear from beach to ballroom.
